CUSTOM CANNABIS ACCESSORIES STUDIO

PRODUCT CATALOG

## Introduction —

For over a decade MunchMakers has been providing custom made smoke products to customers all over the world.

Our customers include dispensaries, lifestyle brands, musicians, artists, agencies, and private customers who want quality smoke products branded with their designs.

All our products have been rigorously tested and printed to match the quality we strive for.

Just like nobody wants low quality cannabis, they also don't want low quality products!

Producing high quality products is our core mission statement.

Most of our products have no minimum orders but we give generous discounts to customers who buy in wholesale.

For our wholesale customers we support private labeling, branding assistance, and fulfillment services.

Looking for branded smoke products as merchandise items? We got you covered, from custom boxes to velvet bags.

Additionally we have a full graphics design department on hand to help make mockups and help with any design requests.

Your success is our success.  
Get started with MunchMakers today!

# GRINDERS

# 2pc Aluminum Grinder

MM-ALG-2P

Packs small, plays big. Despite its naturally small size, our 2-piece metal herb grinder has a reputation for getting the job done. A few swivels and your bud will be shredded to a fine grind that's perfect for rolling. The 2-piece metal grinder is loaded with enough teeth to do the heavy lifting. It's highly portable and fits perfectly in your pocket.
